"Tune in @ Your Library"

Want to keep kids reading and visiting the public library while earning fun prizes this summer? Flower Memorial Library offers everyone from toddlers to tenth graders a way to participate in "Tune in @ Your Library," "The New York State Summer reading program."

The **Preschool Summer Read-to-Me Program** will be held Wednesday mornings at 10:00 for ages 2 1/2–3 and at 10:30 for ages 4-5, July 6-August 3. Participants attend a lively twenty-five minute storytime each week and children earn stickers for the time families, caregivers, or friends spend reading with them. Families that complete the read-to-me series are invited to attend a party the evening of August 10 and will receive certificates and some small gifts.

Tune in @ Home: Students who have just finished any grade from K-4 can read at home and trade completed reading time cards for prizes from our treasure chest any time the library is open. Super readers can also enter to win the grand prizes, which will be awarded during the final week of summer reading. "Tune in @ Home" runs July 11-August 12.

Teens Tune In!

The **Teen Summer Reading Program** is open to students who have completed any grade from fifth through tenth. To participate, a teen merely has to fill out a brief entry form (available in the teen fiction area) for each book read and deposit the entry in the drawing box for the prize (s)he wants to win. We will give away three \$20 gift cards to popular mall

stores each week plus three \$50 mall gift certificates the last week of the contest. Teens win a mini candy bar for each entry. The first fifty students to enter during the week of July 11 will receive a mini flipper and the first fifty to enter during the week of July 25 will receive a "Tune In" silicone bracelet. The teen program will run from July 11-August 12 during all hours the library is open.

Registration is required for all sessions except the teen contest and some group sizes are limited. Enrollment is now in progress. Call the library at 788-2352 for further details on any section of the Summer reading program.

We thank the Flower Library Board of Trustees, Friends of Flower Library and the noon Kiwanis Club for generously donating funds for summer reading prizes.

ADULT BOOK DISCUSSION GROUP

The group will resume regular monthly meetings in September. A list of next year's titles is available at the Reference Desk and at the Circulation Desk.

BOOK SALE

We will continue to add to our Mid-year Book Sale through July. Stop by and take a look every few days.

MAKE A WISH FOR YOU AND YOUR LIBRARY

The children of Watertown are being given an opportunity to contribute to the Library's Capital Campaign Project through the use of a wishing well that has been placed near the children's department. Children's donations will be recognized with a special plaque on the donation recognition wall.

ATTAIN LAB

Classes are available. Call the Library at 788-2352 and ask for Nicole Sinclair for more information.

MUSIC COLLECTION

Stop by and check out our music collection on compact disc. We have a little bit of everything. We'd be happy to take your purchase suggestions—fill out a blue purchase suggestion form.
